REPLACEMENT PRODUCTS

Consider MOTOTRBO DGP 5050 & 5550 radio products as a direct replacement for users who require a Hazardous location certification such as Factory Mutual (FM)

- The DGP 5000/8000 Series is a direct replacement for PRO Series analog operation and it has the capability to operate in an advanced integrated voice and data MOTOTRBO solution.
- The DGP 5050 analog/digital dual mode is the direct replacement for PRO5150 analog users.
- The DGP 5550 analog/digital dual mode is the direct replacement for PRO7150 analog users.

Consider MOTOTRBO DEP 550 & 570 radio products as a direct replacement for Non-FM customers

- The DEP 550 analog/digital dual mode is the direct replacement for PRO5150 analog users.
- The DEP 570 analog/digital dual mode is the direct replacement for PRO7150 analog users.
- The DGP 8050 Elite analog/digital dual mode is the direct replacement for PRO Elite analog users.

For more details about product alternatives please contact your authorized Motorola Solutions representative.
